## **7. USING YOUR SOLDO ACCOUNT**

7.1 All the money stored in an Account is owned by the Account Holder and is organised in one or more Wallets. A Wallet can hold money in one of any of the Supported Currencies and in the same Soldo Account You can store money in all the Supported Currencies by using multiple Wallets. The amount of total money, even in multiple currencies, that can be stored in an Account can be subject to a limit. See Fees and Limits Summary for details. Funds can be deposited into Your Soldo Account by You or, if applicable, by any other Affiliate You have authorised, using the Account Deposit and Withdrawal Services available in the country in which You are resident. If funds are received that were not authorised by You then You must (i) refrain from using the funds and (ii) contact Us immediately and ask for the funds to be returned to the sender. Minimum and maximum limits can apply to the amount of a fund transfer, to the total number of fund transfers and their total amount on a per-operation or per-period basis. See Fees and Limits Summary for details.

7.2 A User that has been authorised to do so by any Authorised User through the Permissions can transfer funds between Wallets at any time using the Soldo Inter-Wallet Transfer Services.

7.3 If funds in one currency are transferred from a Wallet into another Wallet denominated in a different currency, the funds will be changed in the currency of the destination Wallet using the Currency Exchange Services. We will use the exchange rate applicable to the Transaction and set by the foreign exchange provider identified in Annex 6 (Currency Exchange Service) at the time the Transaction is processed. A foreign exchange fee may apply (see Fees and Limits Summary for details).

7.4 A Wallet can fund Transactions of the Soldo Payment Services that are connected to it up to the total amount of money available in the Wallet and according to Fees and Limits Summary. See Fees and Limits Summary for details.

7.5 Any User that has been authorised can access Your Soldo Account at any time through the Soldo Client. We can limit access to the Soldo Account for security reasons and ask for additional identification before allowing access.

7.6 You agree that We may apply spending and withdrawal limits to Your Account. Spending and withdrawal limits may also apply to Transactions made using a Card (see Fees and Limits Summary for details).

- 7.7 You will need to authorise every Transaction You wish to make. A Transaction will be regarded as authorised at such time:
- a) if the Transaction is authorised at the point of sale by You or a Card User by:
    - entering a PIN or providing any other security code;
    - signing a sales voucher;
    - providing the Card details and/ or providing any other details as requested;
    - waving or swiping the Card over a contactless card reader;
    - inserting the Card and entering Your PIN to request a cash withdrawal at a cashpoint;and
  - b) for a Soldo Inter-Wallet Transfer Service or an Account Deposit and Withdrawal Service, when You press “*Confirm*” to confirm the Transaction or when You send Us written request and, if required, enter or provide Us with any security password or authorization code that We may require.
- 7.8 For any purchases made using a Card, We receive Your Transaction instructions when We receive the Transaction message from the Merchant. Unless We state otherwise in relation to a particular service, We receive all Your other Transaction instructions at the time You ask Us to complete the relevant Transaction.
- 7.9 Authorisation for a Transaction may not be withdrawn (or revoked) after We have received it.
- 7.10 If You, or a Card User, make a Transaction in a currency other than the currency that the Soldo Card is denominated in, the Transaction will be converted to the currency of Your Soldo Card by the Mastercard scheme network at a rate set by Mastercard International Incorporated ([link](#)) on the day We receive details of the Transaction. The exchange rate varies throughout the day and is not set by Us. Note also that exchange rates can fluctuate and that they may change between the date You made Your Transaction and the date it is processed to Your Soldo Account. A foreign exchange fee may also apply (see Fees and Limits Summary for details).
- 7.11 Some Merchants such as car hire companies, hotels, restaurants and other service providers will estimate the sum of money You may spend with them or for which You require authorisation. This estimate may be for a greater amount than the amount You finally spend with them or are charged for by them. This means that some of the funds on Your Wallet may be held for up to 31 days until the Merchant has settled the Transaction amount and, accordingly, You will not be able to spend this estimated sum during this period. We cannot release such sum without authorisation from the Merchant. In certain situations, for example at restaurants, You may be required to have a maximum of 20% more on Your Wallet than the value of the bill to allow for any service charge added by the restaurant.

## **8. SUSPENDING YOUR SOLDO ACCOUNT / DECLINING TRANSACTIONS**

- 8.1 We reserve the right to decline any Transactions at Our discretion.

- b) If We take any of the steps referred to above in Section 8.1 a), We will tell You as soon as We can or are permitted to do so after We have taken such steps. We may ask You to stop using Your Soldo Account until We believe that the relevant circumstances no longer apply.

- i. if We suspect Your Soldo Account is being used in an unauthorised or fraudulent manner;
  - ii. if sufficient funds are not available in a Wallet of Your Soldo Account to cover the amount of the relevant Transaction and any applicable fees; or
  - iii. if We believe that a Transaction will violate the relevant law.
- d) If We refuse to authorise a Transaction, We will, if practicable, tell You why immediately unless it would be unlawful for Us to do so. You may correct any information We hold and which may have caused Us to refuse a Transaction by contacting Soldo Customer Care.

We shall not be liable in the event We do not authorise a Transaction. Unless otherwise required by law, We shall not be liable for any loss or damage You may suffer as a result of Your inability to use Your Soldo Account for a Transaction or the same occurs to a User.

8.2 You must not spend more money than is permitted to be spent in Your Soldo Account. You are responsible for ensuring that there are sufficient funds available in a relevant Wallet of Your Soldo Account when a Transaction is authorised by You or a User. If sufficient funds are not available and there is an overspend in a Wallet of Your Soldo Account then You must transfer funds to the Wallet to repay the overspend to Us immediately. In case of failure to do so, We will take any such action seriously and take any steps necessary, including taking enforcement action against You.

8.3 You agree that once We notify You by whatever means of any such overspending, You must repay it immediately. We reserve the right to deduct an amount equivalent to the overspending from any other Wallet that You hold in Your Soldo Account or from any other payment instrument or account You designate to Your Soldo Account and against any funds which You subsequently paid into Your Soldo Account. We may suspend Your Soldo Account

and any Soldo Payment Services connected to Your Soldo Account until We are reimbursed the overspent amount.

- 8.4 We accept no responsibility for the goods or services purchased by You or a User using the funds in Your Soldo Account. All such disputes must be addressed directly with the Merchant providing the relevant goods or services. Once You, or a User, have authorised a Transaction, We cannot stop that Transaction.

## **9. FEES**

- 9.1 Your use of Your Soldo Account and of the Soldo Payment Services is subject to the fees and charges set out in the Fees and Limits Summary and also available in the Website. For example, We may charge You fees to load funds to Your Soldo Account, or cancel a Card if You do not make any Transactions using a Card for a certain period of time. All fees and charges You pay will be set out in Your Transaction history which You can access in the Soldo Client. These fees and charges are part of these Terms and Conditions. Any or all of these fees/charges may be waived or reduced at Our discretion.

- 9.2 If You choose to use one or more of the Soldo Payment Services that We make available, then the use of such Soldo Payment Services will be subject to its own terms and conditions of use and fees to use such Soldo Payment Services may apply.

- 9.3 Fees and charges will be paid at such time they are incurred, depending on the terms applicable to such fee or charge, and on a recurring periodic basis if the relevant service is a subscription not cancelled prior to such payment date, either from Your Soldo Account or by You from other sources of money.

- 9.4 Please be aware that some cashpoint providers charge additional fees for the use of their cashpoints and some Merchants add a surcharge for accepting certain types of cards. You may also be subject to their terms and conditions of business when using a Card with them and it is Your responsibility to check before proceeding with a Transaction.

- 9.5 We may introduce or amend Our one-time or periodic fees and charges over time and, if so, We will notify You in advance in accordance with Section 3.1.

## **10. KEEPING YOUR SOLDO ACCOUNT AND CARD SAFE**

- 10.1 The Soldo Client system is designed to offer secure access to information and services. This is achieved by using a combination of security functions that are made available to the User and that must be used in full and every time to achieve the maximum protection.

- 10.2 The security functions of the Soldo Client system are designed to be used together with other security functions of the devices, e.g. personal computer, mobile terminals, used to access it. It is strongly recommended that each User of the Soldo Client system should always protect his/her devices with a password or device passcode as well as make sure his/her device is free from viruses or malwares. Failure to do so could result in reduced security of their Account.

- 10.3 The access to the Soldo Client system and Soldo Payment Services through devices that have been modified against the recommendations of the manufacturer, e.g. “Jailbroken” iOS devices or “rooted” Android devices, or that in any other way can reduce or bypass the security functions compromising the security of Your Account, is forbidden.
- 10.4 In case of loss of a User device containing the Soldo Client software, the User must immediately contact Soldo Customer Care.
- 10.5 You, and each User of Your Soldo Account, have your own security information, e.g. Soldo Company ID, Soldo Passcode, Soldo Password and Cards PIN, that is personal and must not be disclosed to anyone else including friends, family, Merchant staff and Soldo Customer Care staff. The Soldo Company ID, Soldo Passcode and Soldo Password must be memorised and kept secret at all times.
- 10.6 You, and each User, must take all reasonable precautions to prevent fraudulent use of Your Soldo Account.
- 10.7 If You, or a User, know or suspect that the Soldo Passcode is known to an unauthorised person, or if You, or a User, think a Transaction is unauthorised or has been incorrectly executed, or You, or a User, believe that your Soldo Account is being accessed without your consent, then You must tell Us without delay by contacting Soldo Customer Care and You must also use all the facilities available in the Soldo Client to block access to the Account and prevent further Transactions.

## **11. DISPUTED TRANSACTIONS**

- 11.1 You may be entitled to claim a refund in relation to Transactions made using Your Soldo Account where:
- a) the Transaction was not authorised under these Terms and Conditions;
  - b) We were responsible for a Transaction which was incorrectly executed and notified to Us in accordance with Section 10.7 above;
  - c) a pre-authorised Transaction did not specify the exact amount at the time of its authorisation and the amount charged by a Merchant is more than You or a User could reasonably have expected taking into account normal spending patterns on Your Soldo Account or the circumstances of the Transaction. However a claim for a refund in this circumstance will not be accepted if the amount of the Transaction was made known to You or the User at least 4 weeks before the Transaction date or if the claim is made more than 8 weeks after being debited from Your Soldo Account; or
  - d) We were notified of the unauthorised or incorrectly executed Transaction within 13 months of the debit date of such Transaction.
- 11.2 If any of the above circumstances apply, You or the User should contact the Merchant first as this may lead to a quicker resolution of the dispute. You or the User can also ask Soldo Customer Care to investigate the Transaction or misuse of Your Soldo Account or the Soldo Card (whichever is applicable).

- 11.3 If a disputed Transaction is refunded to Your Soldo Account and subsequently We receive information to confirm that the Transaction was authorised by You or a User and correctly posted to Your Soldo Account, We will deduct the amount of the disputed Transaction from the funds in Your Soldo Account. If there are no or insufficient funds then the provisions regarding overspending on Your Soldo Account (Sections 8.2 and 8.3) will apply.
- 11.4 If Our investigations discover that the disputed Transaction was genuine and authorised by You or a User directly or indirectly, or that You or a User has acted fraudulently or with gross negligence, You may be charged an additional unjustified investigation fee (see Fees and Limits Summary for details - Transaction investigation fee).

## **12. LIABILITY**

- 12.1 You should treat the funds held in Your Account like cash in a wallet. If a Card is lost or stolen or there has been an unauthorised use of a Card, You may lose some or all of the balance held in Your Account in the same way as if You lost cash.
- 12.2 You will not be liable for any losses incurred in respect of an unauthorised Transaction if You have exercised reasonable care in safeguarding Your Card, PIN, Soldo Company ID, Soldo Passcode and Soldo Password from the risk of loss or theft or unauthorised use and, upon becoming aware of an unauthorised Transaction or the loss or theft of Your Card or PIN, Soldo Passcode or Soldo Password, You notified Us promptly; in such a case, We shall refund to You the balance of such unauthorised Transaction.
- 12.3 You will be liable for losses and expenses We incur as a result of unauthorised Transactions made using a Card if Our investigations show that:
- a) any unauthorised Transaction was in fact authorised by You, a User or a Card User; or
  - b) that You, a User, or a Card User acted fraudulently or with gross negligence (for example by failing to keep the Card or the PIN secure or failing to notify Us without delay on becoming aware of the loss, theft or unauthorised use of the Card).
- 12.4 Once You have notified Us of the unauthorised use of Your Soldo Account, We will investigate the matter to determine what has happened. You and Your Users must provide Us all the necessary assistance. We will promptly refund the amount of the unauthorised Transaction unless We believe from Our investigation that such Transaction was authorised.
- 12.5 We reserve the right to charge You a Transaction investigation fee (see Fees and Limits Summary for details) if We find that any Transaction notified to Us as unauthorised or incorrectly executed was in fact authorised or correctly executed. We may also charge You any other reasonable costs that We incur in taking actions to stop You or a User using Your Soldo Account and to recover any monies owed as a result of Your or a User's activities.
- 12.6 Our liability to You under these Terms and Conditions shall be subject to the following exclusions and limitations. We will not be liable for any loss arising from:
- a) a Merchant refusing to process a Transaction;

- b) any cause which results from abnormal or unforeseen circumstances beyond Our reasonable control or which would have been unavoidable despite all Our efforts to stop it;
  - c) Us suspending, restricting or closing Your Soldo Account if We suspect Your Soldo Account is being used in an unauthorised or fraudulent manner, or as a result of You or a User breaking an important term or repeatedly breaking any term in these Terms and Conditions;
  - d) Our compliance with any applicable laws; or
  - e) loss or corruption of data unless caused by Our wilful and/or negligent wrong doing.
- 12.7 Unless otherwise required by law or as set out in these Terms and Conditions, We will not be liable to You, or to a User, in respect of any losses You or any third party may suffer in connection with Your Soldo Account as a result of Our actions which were not a foreseeable consequence of Our actions.
- 12.8 We will not be liable for the goods or services that You, or a User, purchase using Your Soldo Account. ## **ANNEX 1 – Soldo Business Card Terms and Conditions**

### **1. DEFINITIONS**

- 1.1 The terms and conditions in Annex 1 apply to your Prepaid Mastercard®. You must read them carefully. The definitions in this Annex 1 should be used together with and considered as an extension of the Soldo Business Account Terms And Conditions with the exception of the following: "We", "us" or "our" means Soldo FS.

### **2. INTRODUCTION**

- 2.1 These Soldo Business Card Terms and Conditions form the agreement between You and Us in relation to the use of Cards.
- 2.2 We will issue a Card(s) to enable a Card User(s) to give instructions to Soldo FS to make Transactions from a linked Wallet issued to You by Soldo FS, including to pay Merchants that accept cards displaying the Mastercard symbol.
- 2.3 Cards and these Soldo Business Card Terms and Conditions are personal to You. You may not transfer Your Card or Your rights and obligations under these Soldo Business Card Terms and Conditions to anyone else. You may however authorise other people to be Card Users, with You being responsible for the use of their Cards, on the basis of these Soldo Business Card Terms and Conditions.
- 2.4 The processing of Your data by Soldo FS is governed by Soldo FS' privacy policy which can be found on the Website. By accepting these Soldo Business Card Terms and Conditions, You also agree to the terms of Soldo FS' privacy policy.

### **3. CARD USERS**

- 3.1 You can apply to Us to issue a Card to You or to another person You wish to authorise as a Card User, so long as You are at least 16 years old and resident in one of the Supported Countries.
- 3.2 Your application will be taken in consideration and if accepted, We will issue You or the Card User a Card in Your, or the Card User's, name (as appropriate) together with instructions on how to activate it.
- 3.3 You are responsible for each Card User's use of his/her Card (this includes You being responsible under the Soldo Business Account Terms and Conditions for Transactions made by a Card User using his/her Card and any applicable fees and charges provided for under those terms and conditions) - see Annex 7 Fees and Limits Summary.
- 3.4 You must accordingly ensure that each Card User is aware of the provisions set out in these Soldo Business Card Terms and Conditions and complies with them when using his/her Card. Please see Section 15.2 on how to obtain copies of these Soldo Business Card Terms and Conditions, and You will also be provided with a link to them in the materials sent with a Card to a Card User.

3.5 When a Card User uses a Card to make a Transaction, the value of the Transaction plus any applicable fees will be deducted by Soldo FS from the balance on Your Wallet in accordance with the Soldo Business Account Terms and Conditions.

#### **4. SIGNING AND ACTIVATING A CARD**

4.1 A Card User must sign a physical Card as soon as he/she receives it and must activate the Card in order to be able to use it. Activation instructions are set out on the packaging that the Card is attached to and also in the Soldo Client.

4.2 A virtual Card can be used immediately upon receipt and does not need to be activated.

#### **5. USING A CARD**

5.1 A Card is linked to a Wallet within Your Soldo Account, and so is known as a “prepaid” card (and not as a credit card, charge card or debit card).

5.2 You and the Card Users can use a Card to:

(a) purchase goods and services at any Merchant displaying the Mastercard acceptance symbol; and

(b) withdraw cash at any cashpoint displaying the Mastercard logo.

5.3 If there aren't enough funds in a Wallet to cover the total cost of goods or services a Card User wishes to buy using a linked Card, the Card Users may find that some Merchants don't allow spreading the cost across multiple payment methods such as another payment card or cash and such Merchants may require use of an alternative means of payment to cover the total cost.

5.4 For information on the following areas, please see the following Sections of the Soldo Account Terms and Conditions:

(a) how to authorise a Transaction and withdraw authorisation – Sections 7.7 and 7.9;

(b) the receipt and processing of Transactions – Section 7.8;

(c) spending and Transaction limits – Section 7;

(d) fees, charges and foreign exchange conversion and rates – Sections 7.10 and 9 (and please note that other taxes or costs may exist that are not imposed by Us or payable to Us);

(e) how information relating to Cards and Your Soldo Account will be made available to You through the Soldo Client – Sections 3 and 13; and

(f) how and when to notify any unauthorised or incorrectly executed Transactions, liability for them, and when You might be able to claim a refund – Sections 10.7, 11 and 12.

#### **6. OUR RIGHT TO SUSPEND OR CANCEL A CARD**

6.1 We may at any time suspend or cancel a Card if:

- (a) the Card has been lost or stolen;
- (b) We are concerned about the security of the Card or Your Soldo Account;
- (c) We suspect the Card is being used in an unauthorised or fraudulent manner;
- (d) We are required to do so to comply with the law; or
- (e) Soldo FS is requested to do so on the basis of its rights under the Soldo Business Account Terms and Conditions.

6.2 If We suspend or cancel a Card in accordance with Section 6.1 above, We will inform the Card User giving its reasons:

- (a) as soon as it can before doing so; or
- (b) immediately afterwards,

provided that this is legally permitted and does not compromise reasonable security measures.

6.3 In such circumstances, You must ensure that You or a Card User stop using the Card and in accordance with Our instructions either return it to Us or destroy it. If after further investigations We believe that the relevant circumstances no longer apply or exist, then We will, as appropriate, either re-activate the Card or We will issue a replacement Card.

## **7. KEEPING CARDS SAFE**

7.1 You must ensure that:

- (a) all Card Users keep their Cards safe;
- (b) as a Card is personal to the Card User it is issued to, it is not given to anyone else to use; and
- (c) each Card User takes all reasonable precautions to prevent misuse of his/her Card.

7.2 Each Card User will receive a PIN for his/her Card from Soldo FS. You must ensure that:

- (a) all Card Users keep the PINs for their Cards safe;
- (b) when it is received, the Card User memorises the PIN and then destroys the PIN mailer (if any); and
- (c) the Card User keeps the PIN secret at all times and does not disclose it to anyone including friends, family, Merchant staff or Soldo Customer Care staff.

7.3 If You or a Card User suspect that someone else knows the PIN, You must ensure that You or the Card User let Us know immediately by contacting Soldo Customer Care and changing it as soon as possible. It can also be changed at most cashpoints by selecting the "PIN Services" option. If You or a Card User forget a PIN, this can be accessed when logging on to the Soldo Client.

## **8. OUR LIABILITY**

8.1 We will not be liable to You or any Card User for any loss arising from:

- (a) a Merchant refusing to accept a Card;
- (b) any breach by Us of these Soldo Business Card Terms and Conditions due to abnormal or unforeseen circumstances beyond Our reasonable control, which would have been unavoidable despite all Our efforts to stop it;
- (c) We suspending or cancelling a Card or refusing to issue or replace a Card in accordance with these Soldo Business Card Terms and Conditions;
- (d) Our compliance with any applicable laws and regulations;
- (e) loss or corruption of data unless caused by Our willful and/or negligent default/wrong doing;
- (f) Soldo FS not authorising a Transaction that You or a Card User attempt(s) to make using a Card; or
- (g) Soldo FS suspending, restricting or cancelling Your Wallet or Soldo Account.

8.2 We will not be liable for the goods or services that a Card User purchases using a Card. In addition, We will not be liable for the goods and/or services that any Card User purchases using Soldo Special Mastercards, and, in particular, We will not be liable should the Card User purchase goods and/or services different from those goods and/or services pre-configured in Soldo Special Mastercards, including without limitation as a result of the purchase of such different goods and/or services from pre-configured Merchants or as a result of the assignment of an erroneous MCC (Merchant Category Code) to a certain Merchant.

8.3 Where a Card is faulty Our liability shall be limited to replacement of the Card.

8.4 Nothing in these Soldo Business Card Terms and Conditions will exclude or limit Our liability for death or personal injury or to the extent that it cannot otherwise be limited or restricted by law.

## **9. LOST OR STOLEN CARDS**

9.1 If You or another Card User believe that a Card has been lost, stolen or misused You must ensure that You or the Card User block all further usage through the Soldo Client and/or call Soldo Customer Care.

9.2 We may also require You or the Card User to provide details in writing; and, at Our reasonable request, You must help, and must ensure that the Card User helps, Us and Our agents or any enforcement agency in investigating the matter.

9.3 If You or a Card User report a Card as lost or stolen, We will cancel it (and may issue a new one, for which a fee may apply, in accordance with Section 13). If You or a Card User find the Card after You have reported it was lost, stolen or misused, You must ensure that You or the Card User destroys it.

## **10. EXPIRY OF A CARD**

- 10.1 A Card is valid for a period of 36 months from the date of its issue to the expiry date that is printed on the front of the Card unless its use is terminated earlier in accordance with these Soldo Business Card Terms and Conditions. Once a Card has expired, it cannot be used to make any Transactions.
- 10.2 We reserve the right to decline to issue a new Card if:
- (a) We are concerned about the security of the Card or Your Soldo Account;
  - (b) We are required to do so to comply with the law; or
  - (c) Soldo FS is requested to do so on the basis of its rights under the Soldo Business Account Terms and Conditions.

## **11. REPLACEMENT CARDS**

- 11.1 If asked to, We may replace a lost, stolen or damaged Card, in which case a fee may apply (see Fees and Limits Summary for details). You or the Card User may be asked to provide Us with the Card number of the damaged Card and other information We may need to identify You or a particular Card User.
- 11.2 We reserve the right to refuse to issue a replacement Card if:
- (a) We are concerned about the security of the Card or Your Soldo Account;
  - (b) We are required to do so to comply with the law; or
  - (c) Soldo FS is requested to do so on the basis of its rights under the Soldo Account Terms and Conditions.

## **12. YOUR CANCELLATION AND TERMINATION RIGHTS**

- 12.1 You may cancel a Card and these Card Terms and Conditions at any time for any reason.
- 12.2 You may terminate these Card Terms and Conditions (and all Cards issued under this Agreement): without charge, at any time if You do not wish to accept a change We have notified You that We intend to make to these Soldo Business Card Terms and Conditions (see Section 14 below).
- 12.3 To cancel a Card please contact Soldo Customer Care and We will block the Card straight away so that it cannot be used. Once You request that a physical Card is cancelled You must ensure that You or the Card User destroys it by cutting it in half through the chip and magnetic strip.
- 12.4 You will be responsible under the Soldo Business Account Terms and Conditions for any Transaction You or a Card User has made (and any applicable fees and charges incurred) before You cancelled the Card, unless those terms and conditions provide otherwise.
- 12.5 A withdrawal Bank Transfer Fee may apply (see Fees and Limits Summary – Withdrawal Bank Transfer fees for details).

- 14.2 We may make a change to these Soldo Business Card Terms and Conditions for any of the following reasons, with any change being a reasonable and proportionate response to a change that is affecting Us or that We reasonably think will affect it:
- (a) because of a change in legal or regulatory requirements, for example if We have to change requirements for keeping Your Card or Soldo Account safe to meet new security standards set by law;
  - (b) if the change benefits You, for example when introducing new products or services or improving existing ones;
  - (c) to reflect a change in Our costs of providing You with Your Card, for example by introducing new fees or charges; or

Subject to internal risk restrictions and to the costs and limits specified in the Fees and Limits Summary, the Account Holder may transfer money in and out from the Soldo Account to/from a bank account held in the name of the Account Holder or of an Affiliate that We have authorized.

We can accept a bank transfer in any of the Supported Currencies available in Your Account. If a bank transfer is received in a currency not supported in Your Account, it will be exchanged in one of the Supported Currencies at the prevailing rate as determined by Our Bank. If You make a bank transfer in one of the Supported Currency but You indicate to have it credited to a Wallet denominated in another Supported Currency, it will be changed to the Supported Currency of that Wallet at the prevailing rate as determined by Our Bank.

We will credit any bank transfer received to Your Account net of any bank costs or fees charged to Us by Our Bank or Your bank.

We accept bank transfers into Our Bank from banks situated in countries where the money laundering, terrorist financing and other related threats to the integrity of the international financial system are at the same level as the European and UK ones. We will reject any bank transfer coming from countries which are banned in accordance with The Financial Action Task Force (FATF) and OFAC guidelines.

Soldo FS reserves the right to reject and return to the sender, without need to justify its choice, any bank transfer received.

Any bank transfer received that is required to be returned may incur a processing fee (See Fees and Limits Summary - Transaction investigation fee for details).

#### **ANNEX 5 – SOLDO INTER-WALLET TRANSFER SERVICES**

Subject to Permissions, costs and limits specified in the Fees and Limits Summary, You or any User can transfer money to any other User or Wallet within Your Account.

#### **ANNEX 6 – CURRENCY EXCHANGE SERVICE**

Subject to internal risk restrictions, Permissions and to costs and limits as specified in the Fees and Limits Summary, You or any Authorised User can exchange electronic money in Your Soldo Account to electronic money in another Supported Currency by using the Transfer function available on the Soldo Client. The Supported Currencies of electronic money which You are able to exchange and store in Your Soldo Account are limited to those set out on Annex 3 and are subject to change from time to time without Us being required to provide You with any notice.

You and any Authorised User will be informed, on the Soldo Client, prior to sending the request to enter into the Currency Exchange Service, of:

- the amount of electronic money You will use to purchase the amount of electronic money in Your required currency;
- the amount and currency of the electronic money You wish to purchase;
- the Soldo Exchange Rate of the electronic money.

In order to submit the request to enter into the Currency Exchange Service You and/or any Authorised User will need to confirm the details which have been entered by hitting the button entitled “Confirm Transfer” on the relevant part of the Soldo Client.

The request to enter into a Currency Exchange Service will be accepted, when We confirm to You that Currency Exchange Service has been completed, on the Soldo Client.

The “Soldo Exchange Rate” means the rate at which You can use one Supported Currency to purchase another Supported Currency. Generally, during FX market hours We offer You the real time interbank rate plus a fee. However, in certain circumstances, it is not possible to provide You with the real time interbank rate including when the FX market is closed on weekends or on bank holidays. It may also not be possible to provide You with the real time interbank rates due to other external factors such as volatile market conditions, a system failure of Soldo Client or any other external factors. In such instances, We might provide You with FX rates different from the real time interbank rate. Please see Fees and Limit Summary for details. We will use the Exchange Rates set out in Fees and Limits Summary, where We can, however You will be informed of the exact Exchange Rate for each Currency Exchange Service prior to Your entry into same. It is Your responsibility to ensure that You agree with the Soldo Exchange Rate We offer You and/or any Authorised User prior to entering into each Transfer. In addition, Our Soldo Exchange Rates are available on the Soldo Client.
